Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

ENGRAVERS FOR THE BULLETIN
OF THE
TORREY BOTANICAL CLUB
AND A NUMBER OF SCIENTIFIC PUBLICATIONS

ADDISONIA

A quarterly journal containing beautiful colored illustrations and popular descriptions of plants.

Published by the New York Botanical Garden, Bronx Park.

Supported by the income of a bequest by the late Judge Addison Brown, aided by subscriptions.

The sixth volume has recently been completed; the seventh volume will be issued during 1922; each volume contains 32-40 full-page colored illustrations.

Additional subscriptions are invited at $10 per volume. The earlier volumes are available at the same price. Sample parts will be mailed on request.

FRED J. SEAVER, PH.D.

MEETINGS

Meetings twice each month from October to May inclusive: the second Tuesday at 8:15 P. M., at the American Museum of Natural History or at Columbia University; the last Wednesday at 3:30 P.M., in the Museum Building of the New York Botanical Garden.

PUBLICATIONS

All subscriptions and other business communications relating to the publication of the Club should be addressed to the Treasurer, Dr. Fred J. Seaver New York Botanical Garden, Bronx Park, New York City. Matters relating to advertisements and circulation should be referred to Dr. Michael Levine, Montefiore Hospital, New York City. All communications regarding exchanges should be referred to the Exchange Committee, consisting of the Librarian of the Columbia University and the Librarian of the New York Botanical Garden.

Bulletin. Monthly, established 1870. Price, $4.00 a year; single numbers 40 cents. Of former volumes, only 24–47 can be supplied separately; certain numbers of other volumes are available, but the entire stock of some numbers has been reserved for the completion of sets. Manuscripts intended for publication in the BULLETIN should be addressed to the Editor, Osborn Botanical Laboratory, Yale University, New Haven, Connecticut. Papers should not exceed ten pages in length, and illustrations should be limited to one page of text figures or one plate. Longer and more copiously illustrated papers, however, may be published if the excess pages and illustrations are paid for by the contributors.

Torreya. Bimonthly, established 1901. Price, $1.00 a year. Manuscripts intended for publication in TORREYA should be addressed to George T. Hastings, Editor, Robbins Place, Yonkers, N. Y.

Memoirs. Occasional, established 1889.

Preliminary Catalogue of Anthophyta and Pteridophyta within 100 miles of New York City, 1888. Price, $1.00

Reprints. Contributors of articles accepted for publication in the BULLETIN should order reprints, if desired, when they return galley proof to the editor. 25 copies of reprints without cover may be had gratis. If cover is wanted, or if more than 25 copies are wanted they may be ordered through the editor at the following rate, from The Intelligencer Printing Co., Lancaster, Pa., contributor paying for all his reprints.
